We provide the opportunities, resources, and support you need to grow and develop professionally.

Position Overview/Job Summary:

You will be responsible for detecting any suspicious behavior and preventing vandalism, thefts or other criminal behavior. A security officer must be well-trained in surveillance and dealing with perpetrators. The ideal candidate will inspire respect and authority.

Responsibilities Include:

- Patrolling premises regularly to maintain order and establish presence
- Monitoring and authorizing entrance of vehicles or people in the property
- Removing wrongdoers or trespassers from the area
- Secure all exits, doors and windows after end of operations
- Check surveillance cameras periodically to identify disruptions or unlawful acts
- Investigate people for suspicious activity or possessions
- Respond to alarms by investigating and assessing the situation
- Submit reports of daily surveillance activity and important occurrences
- Providing other services the team may need to assistance with, while demonstrating a friendly, accommodating, cheerful attitude

Requirements

- Proven experience as patrol, security or guard
- Knowledge of legal guidelines for area security and public safety
- Familiarity with report writing
- Excellent surveillance and observation skills
- Tech-savvy with experience in surveillance systems
- High School diploma is required

Working Conditions:

Position is based on a normal collision body shop environment. Position requires physical activity such as reaching below and above shoulder level, kneeling, squatting, bending, stooping and moving for extended periods of time, and lifting and carrying objects over 50 lbs is a part of daily activity. Working environment consists of exposure to fumes, chemicals and dust, along with high levels of noise and subjectivity to weather conditions both inside and outside. Visual acuity to determine the accuracy and thoroughness of the work assigned is a must.
